

# TREMONT TURKEY FESTIVAL MEDALLION HUNT

## CLUE #1

Welcome to the inaugural medallion hunt,  
It's going to be lots of fun.  
The medallion is etched acrylic and 4" in diameter,  
And there is only one.

Look high, look low, look all around,  
Do you think you know where it is?  
\$1000 in cash and prizes,  
Awarded to the medallion hunting wiz.

The medallion is hidden on public property and is not hidden in the athletic field or on any school property. It does not require extraordinary physical risks to find the medallion or damage to property.

Good Luck and Happy Hunting!
